

## **Câmara & Smith joins the MG Valuation Alliance**

MG Valuation, LLC and Câmara & Smith LTDA, are pleased to announce their affiliation to provide clients with enhanced valuation and consulting services in Brazil and Latin America.

"Our combined expertise will enable our multi-national clients to access real estate and machinery & equipment capabilities in the region," says Ray Moran, CEO of MG Valuation. Raymond Smith, FRICS, Partner of Camara & Smith, agrees, "We are delighted to partner with MG Valuation, to assist their clients and expand our ability to provide services for real and personal property."

For over twenty years, Camara & Smith [www.camarasmith.com.br](http://www.camarasmith.com.br) has delivered a variety of valuation and consulting services, for property types including manufacturing properties, retail, office, hospitality, and resorts. The company's clients include multi-national firms, pension funds, banks and other lending institutions, as well as attorneys in bankruptcy and restructuring, turnaround professionals, and business owners.

MG Valuation is an independent valuation firm, serving clients in the Americas, Asia Pacific, Europe and Latin America. MG Valuation provides valuations and consulting services for financial and tax reporting, litigation support, insurance, bankruptcy and restructuring, and financing purposes. The firm specializes in real estate, plant machinery & equipment, business and intellectual property valuations, separately or as part of a going concern. MG Valuation operates in twenty six cities across seventeen countries.
